*0 Unique Dialogue New project with artist Lieve Dejonghe* (€ 12,50). Through a blessed coincidence Judith Pertz found these deeply powerful oil paintings of Lieve Dejonghe. The seed was sown for this composition and an audio-visual performance: 8 loudspeakers, with romantic modern compositions by Judith, mixed with music and voices from the far east and more while she plays live flute and percussion. Listen with a headphone to achieve the effect of being immersed in the sound. The five paintings inspiring this work are reproduced in the CD book. Live recordings during performances in Antwerp, Belgium 2006.

### *Music from India*

*0 CD Jahnvi Jayaprakash I – live concert Tropenmuseum* (€15,00): Ragam-Talum-Pallavi: Raga Malika; Raga: Shubha Pantuvarali; Tala: Jathi Dhruwa. Met Hemanth Kumar, violin; Rajakesari, *mrudagam* (a double sided drum); Srihar, kanjira. The magic of her magnificent voice, her sense of proportion and the emotional richness of her vocal power are but a part of the qualities that made Jahnvi Jayaprakash the more popular vocalist of Karnatic music. This CD presents a full version of this rarely sung raga and composition. (Recorded in Amsterdam 1998).

*0 CD Jahnvi Jayaprakash II – duo with B.C. Manjunath.* (€15,00): Manjunath is one of the more gifted and many faceted *mrudagam* (a double sided drum) players of our time. As a true partner of Jahnvi his music is virtuous and expressive (recorded at Amsterdam Conservatory, 2001). Compositions by Jayaprakash and traditional *ragas*. (This CD is temporarily out of stock)

*0 Dubble CD Journey to Little Tibet* (€22,00): You can enjoy the trip with us in listening to chanting monks, children's and women's songs, folk music, the marriage party and musical meetings with Judith. (See Newsletter Nr.2 and 4: Littel Tibet)
