Dear Klaas

We would like to extend a warm invitation to attend UNICON XV, the 15th Unicycling World Championships and Convention in Wellington, New Zealand. This is the first time Unicon has ever been held in the Southern Hemisphere, and in the Southernmost Capital of the world.

Wellington is beautiful city with a stunning harbour surrounded by rolling hills. It is a vibrant place that embraces many diverse events and cultures. Unicon XV will be held right in the heart of the city, so it is a chance for the public to experience unicycling and develop the sport in this part of the world

Unicon is the Olympics of Unicycling, with up to thirty countries represented in over 20 different events, covering all aspects of unicycling.

However, Unicon is more than a World Championships, it is also the World Convention. It is a chance to meet unicyclists from other countries, make lifelong friends and extend cultural ties. There are workshops, welcoming parade, day rides, New Years Eve celebrations and much more to Unicon than just competition.

Unicon XV registration is now open on the Unicon Website: www.uniconxv.co.nz

If you have any questions regarding Unicon, contact us on unicon15@gmail.com

Best Wishes
