

## 2 Way antenna splitter for indoor use

- Chrome and gold plated N-connectors
- Designed for WiFi
- Simple installation
- For indoor use
- Tough steel housing
- DC power pass to all ports
- Connect 2 antenna to one WiFi radio

### Specifications

Connectors	3 x N-female
Insertion Loss	<5,1 dBi
Isolation	>20
Housing	Steel
Dimensions (cm)	8,2 x 6,3 x3
Weight	250 gr
Frequency range	2400-2500 MHz
Max Power	20 W
VSWR	1:1,3 Typical

*Chrome and gold plated N-female connectors*

## 2 Way antenna splitter for outdoor use
